Retaining Counsel and Responding to Corporate Disclosure.

Your Honor,

On behalf of Cambridge Capital Group Advisors, LLC ("Cambridge Capital"), I am responding to your request for corporate disclosure. Cambridge Capital is in the process of retaining counsel and plans to have that completed over the next few weeks.

In the interim, please be advised that Cambridge Capital, in compliance with the Court's Order and Rule 7.1, Federal Rules of Civil Procedure, will submit its formal Corporate Disclosure Statement through retained counsel, and the Corporate Disclosure Statement will confirm what I am placing in this letter, namely that "No parent corporation or publicly held corporation owns 10% or more of Cambridge Capital Group Advisors, LLC's stock."

Thank you for your consideration.

Sincerely yours,

/s/ Gail Milon
